Contents

Preface vii

I. Factors determining biogeography and distribution

The distribution and ecology of the fresh- and brackish-water medusae of the world
by H. J. Dumont 1

The temperate–tropical gradient of planktonic Protozoa and Rotifera
by J. Green 13

On the diversity of the Cladocera in the tropics
by H. J. Dumont 27

Cladocera of coastal rivers of western Nigeria
by A. B. M. Egborge, C. C. Onwudinjo & P. C. Chigbu 39

Distribution patterns of the Diaptomidae (Calanoida: Copepoda) in southern Africa
by N. A. Rayner & J. Heeg 47

Temperature-related distributions of *Metadiaptomus* and *Tropodiaptomus* (Copepoda: Calanoida), particularly in southern Africa
by R. C. Hart & N. A. Rayner 77

Rotifers of Benin River, Nigeria
by C. C. Onwudinjo & A. B. M. Egborge 87

Salinity and the distribution of rotifers in the Lagos Harbour – Badagry Creek system, Nigeria
by A. B. M. Egborge 95

Zooplankton, fish and fisheries in tropical freshwaters
by C. H. Fernando 105

II. Autecological studies

Growth, production, and demography of *Moina micrura* in brackish tropical fishponds (Layo, Ivory Coast)
by L. Saint-Jean & C. A. Bonou 125

In situ metabolic budget for the calanoid copepod *Acartia clausi* in a tropical brackish water lagoon (Ebrié Lagoon, Ivory Coast)
by M. Pagano & L. Saint-Jean 147

Equiproportional temperature-duration responses and thermal influences on distribution and species switching in the copepods *Metadiaptomus meridianus* and *Tropodiaptomus spectabilis*
by R. C. Hart 163

Durations of development and production estimates by two crustacean zooplankton species, *Thermocyclops oblongatus* Sars (Copepoda) and *Diaphanosoma excisum* Sars (Cladocera), in Lake Naivasha, Kenya
by K. M. Mavuti 185

III. Community ecology

Relative significance of direct and indirect effects of predation by planktivorous fish on zooplankton
by Z. M. Gliwicz 201

Seasonal trends in zooplankton densities in Sanyati basin, Lake Kariba: multivariate analysis
by H. M. Masundire 211
Mean individual dry weight and length-weight regressions of some zooplankton of Lake Kariba
by H. M. Masundire 231
Chlorophyll budget in a productive tropical pond: algal production, sedimentation, and grazing by microzooplankton and rotifers
by R. Arfi & D. Guiral 239
Comparative limnology, species diversity and biomass relationship of zooplankton and phytoplankton in five freshwater lakes in Kenya
by J. N. Uku & K. M. Mavuti 251
Changes in relative abundance of zooplankton in northern Lake Victoria, East Africa
by L. Mwebaza-Ndawula 259
Zooplankton composition and abundance in two impoundments in Zimbabwe
by P. F. M. Elenbaas & C. Grundel 265
Evaluation of eutrophication control in Lake Chivero, Zimbabwe, by multivariate analysis of zooplankton
by C. H. D. Magadza 277

The Kariba Discussion
by The Editors 293
